Brewer Cote Crack Filler
Safety Data Sheet
according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations
Date of issue: 04/28/2015 Version: 1.01

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier
Product form : Mixture
Trade name : Brewer Cote Crack Filler
Product code : 13200

1.2. Relevant identified uses of the substance or mixture and uses advised against
Use of the substance/mixture : Cold Pour Crack Filler

1.3. Details of the supplier of the safety data sheet
The Brewer Company
1354 US Hwy 50
Milford, OH 45150
T General 800-394-0017 - F 513-576-1414
www.thebrewerco.com

1.4. Emergency telephone number
Emergency number : 800-424-9300 CHEMTREC 24 HOURS

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture
GHS-US classification
Carc, 1A H350
STOT RE 1 H372
Full text of H-phrases: see section 16

2.2. Label elements
GHS-US labelling
Hazard pictograms (GHS-US) :

GHS08

Signal word (GHS-US) : Danger
Hazard statements (GHS-US) : H350 - May cause cancer
H372 - Causes damage to organs through prolonged or repeated exposure
Precautionary statements (GHS-US) : P201 - Obtain special instructions before use
P202 - Do not handle until all safety precautions have been read and understood
P260 - Do not breathe spray, vapours
P264 - Wash hands, forearms and face thoroughly after handling
P270 - Do not eat, drink or smoke when using this product
P280 - Wear eye protection, protective clothing, protective gloves
P308+P313 - If exposed or concerned: Get medical advice/attention
P314 - Get medical advice/attention if you feel unwell
P405 - Store locked up
P501 - Dispose of contents/container to in accordance with local, regional, and national regulations.

2.3. Other hazards
No additional information available

2.4. Unknown acute toxicity (GHS-US)
Not applicable

SECTION 3: Composition/information on ingredients

3.1. Substance
Not applicable

3.2. Mixture

SECTION 4: First aid measures

4.1. Description of first aid measures

First-aid measures general
IF exposed or concerned: Get medical advice/attention. Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).

First-aid measures after inhalation
Remove person to fresh air and keep comfortable for breathing. Allow victim to breathe fresh air. Allow the victim to rest.

First-aid measures after skin contact
Wash skin with plenty of water. Take off contaminated clothing. If skin irritation or rash occurs: Get medical advice/attention. Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse.

First-aid measures after eye contact
Rinse eyes with water as a precaution. Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist.

First-aid measures after ingestion
Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician. Rinse mouth. Obtain emergency medical attention.

4.2. Most important symptoms and effects, both acute and delayed
No additional information available

4.3. Indication of any immediate medical attention and special treatment needed
No additional information available

SECTION 5: Firefighting measures

5.1. Extinguishing media
Suitable extinguishing media

Unsuitable extinguishing media
Do not use a heavy water stream.

5.2. Special hazards arising from the substance or mixture
Fire hazard
Not flammable in liquid state.

Explosion hazard
Product is not explosive.

Reactivity
Product is stable.

5.3. Advice for firefighters
Firefighting instructions
Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment.

Protection during firefighting
Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing. Do not enter fire area without proper protective equipment, including respiratory protection.

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures
General measures
Absorb spillage to prevent material damage.

6.1.1. For non-emergency personnel
Emergency procedures
Evacuate unnecessary personnel.

6.1.2. For emergency responders
Protective equipment
Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". Equip cleanup crew with proper protection.

Emergency procedures
Ventilate area.

6.2. Environmental precautions
Avoid release to the environment. Notify authorities if product enters sewers or public waters. Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters.
Brewer Cote Crack Filler
Safety Data Sheet
according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

6.3. Methods and material for containment and cleaning up
Methods for cleaning up
- Take up liquid spill into absorbent material. Notify authorities if product enters sewers or public waters. Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. Collect spillage. Store away from other materials.

Other information
- Dispose of materials or solid residues at an authorized site.

6.4. Reference to other sections
For further information refer to section 13. See heading 8. Exposure controls and personal protection.

SECTION 7: Handling and storage

7.1. Precautions for safe handling
Precautions for safe handling
- Do not handle until all safety precautions have been read and understood. Wear personal protective equipment. Avoid contact with skin and eyes. Avoid breathing vapours. Ensure good ventilation. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapour. Obtain special instructions before use. Do not breathe vapours.

Hygiene measures
- Separate working clothes from town clothes. Launder separately. Do not eat, drink or smoke when using this product. Always wash hands after handling the product. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work thoroughly after handling.

7.2. Conditions for safe storage, including any incompatibilities
Storage conditions
- Store locked up. Store in a well-ventilated place. Keep cool. Keep only in the original container in a cool, well-ventilated place away from: Heat sources. Keep container closed when not in use.

Incompatible products
- Strong bases. Strong acids.

Incompatible materials
- Avoid contact with strong oxidizers. Sources of ignition. Direct sunlight.

7.3. Specific end use(s)
No additional information available

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

8.2. Exposure controls
Appropriate engineering controls
- Ensure good ventilation.
Brewer Cote Crack Filler
Safety Data Sheet
according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Personal protective equipment
- Gloves. Safety glasses. Avoid all unnecessary exposure.

Hand protection
- protective gloves. Wear protective gloves.
Eye protection
- Safety glasses. Chemical goggles or safety glasses.
Skin and body protection
- Wear suitable protective clothing.
Respiratory protection
- Wear respiratory protection. Wear appropriate mask.
Environmental exposure controls
- Avoid release to the environment.
Other information
- Do not eat, drink or smoke during use.

SECTION 9: Physical and chemical properties

9.2. Other information
No additional information available

SECTION 10: Stability and reactivity

10.1. Reactivity
Product is stable.

10.2. Chemical stability
Stable under normal conditions. Not established.

Reproductive toxicity: Not classified
Specific target organ toxicity (single exposure): Not classified
Specific target organ toxicity (repeated exposure): Causes damage to organs through prolonged or repeated exposure.

Aspiration hazard: Not classified
Potential adverse human health effects and symptoms: Based on available data, the classification criteria are not met.

SECTION 12: Ecological information

12.1. Toxicity
Ecology - general: This product may cause adverse environmental effects if used improperly or released to the environment through a spill. Employ best management practices to prevent this material from entering storm sewers systems, waterways or otherwise impacting plant and animal species.
12.2. Persistence and degradability

**Brewer Cote Crack Filler**

| Persistence and degradability | Not established. |

12.3. Bioaccumulative potential

**Brewer Cote Crack Filler**

| Bioaccumulative potential | Not established. |

12.4. Mobility in soil

No additional information available.

12.5. Other adverse effects

- **Effect on ozone layer**: 
- **Effect on the global warming**: No known ecological damage caused by this product.
- **Other information**: Avoid release to the environment.

### SECTION 13: Disposal considerations

13.1. Waste treatment methods

**Waste treatment methods**: This product, when discarded or disposed of, is not specifically listed as a hazardous waste in federal regulations. It could be designated as hazardous waste according to state regulations. This product could also become a hazardous waste if it is mixed with or comes in contact with a hazardous waste. If such contact occurs, consult 40 CFR, to determine whether it is a hazardous waste.

**Waste disposal recommendations**: Dispose in a safe manner in accordance with local/national regulations. Dispose of contents/container in accordance with all local, state, and national regulations.

**Ecology - waste materials**: Avoid release to the environment.

### SECTION 14: Transport information

In accordance with DOT

Not regulated for transport

**Additional information**

| Other information | Not classified as a hazardous material under HM-181. |

**ADR**

No additional information available

**Transport by sea**

No additional information available

**Air transport**

No additional information available

### SECTION 15: Regulatory information

#### 15.1. US Federal regulations

**Brewer Cote Crack Filler**

Not listed on the United States TSCA (Toxic Substances Control Act) inventory

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory except for:

<table>
<thead>
<tr>
<th>Substance</th>
<th>CAS No</th>
<th>Percentage</th>
</tr>
</thead>
